

Statesville Connects

...to help each other

Statesville Connects is a voluntary assistance program funded by donations from Statesville Utility customers and other individuals/organizations. The City is working with the Statesville Salvation Army, a non-profit organization that provides emergency assistance for low income families and people in crisis. Only Statesville residential utility customers who meet the Salvation Army's requirements will receive assistance with their bills.

How can I help?

1. Donate through the City's **Round-up Program**. Funds for Statesville Connects are collected by rounding up the customers' bill to the next highest dollar amount. For example, if your bill is \$41.70, it would be rounded up to \$42. Your maximum contribution per year would be less than \$12.
2. Donate with a **Monthly Contribution** on your monthly bill. Simply check a box below and this amount will automatically be added to your utility bill each month.
3. Make a **Separate Donation** to the Statesville Connects Program.

Is my deduction tax deductible?

Your contribution may be tax deductible. The City will provide you with annual statements documenting your total donation.
